**Pillars for Shaping Your Future**

# Focus Areas

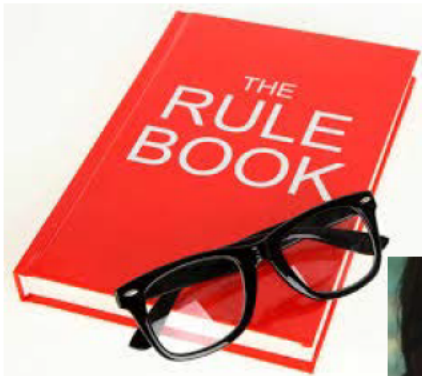

# The Rules are Changing

“The rules for work are changing. We are being judged by a new yard stick; not just by how smart we are, but **how we handle ourselves and each other.**”

-Daniel Goleman. *Author, Psychologist*

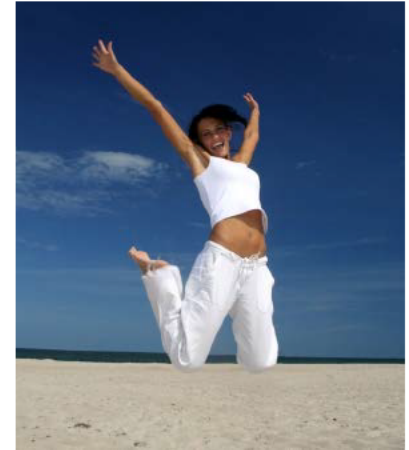

## Emotional Intelligence Matters

Enables you to ...

- Navigate social complexities of the workplace, **lead and motivate others** more effectively and excel in your career
- Better engage with others in a way that **draws them to you**, which cultivates healthier relationships and greater success at work and in life.

-Dr. Kym Harris. *Author & Career Coach*
